SCHOOL OF TOMORROW

Regional Student Convention Reminders!

Preparation for and participation in student conventions are one of the single most impacting and significant options available for local schools to assist students in the discovery of their spiritual gift mix as well as individual strengths likely to play a role in future opportunities for service. Your school plays a huge part in aiding and assisting them in this crucial developmental aspect of their training.

Participate in the convention of your choice (by date or location) – but participate!
Possible locations would include Ozark, Cumberland Valley or Virginias if a locally hosted opportunity is not possible.
See A.C.E. Website for [other options](#) and details specific to other conventions

The following info is specific to Upper Midwest and Great Lakes

Made to Make a Difference: *Preparation Benchmarks!*
