

Understand the Issues - Know the Law

White Paper: [Christian Education - Accreditation Impact Statement](#)

(select link to view/print file)

- *Ignorance of the law is no excuse for failing to follow it.*
- *Not being educated in what the law provides often causes unrequired compliance.*
- *Unfortunate precedence then forces the surrender of our liberty in too many instances.*
- *Stay within the guidelines and don't confuse the right to provide your children's education with the requirements of schools operating under government control.*

Rollover the state desired to access a PDF of the guidelines for that state.
